

# THANK YOU FOR SCANNING!

## CHANGE FOR THE BETTER

With the expansion of our facility and Community Members who visit we found it necessary to change our "open door" policy and culture. Like us, this procedure is a *work in progress* and we appreciate your patience and understanding as we work to perfect it.

## APPLICATION FORM

Every person entering the facility must either scan in, sign in *or* complete a **Member/Guest Application to receive your scan tag for future use.** The information gathered enables us to provide a safe enriching environment with outstanding programming, events, services, emergency care, and communication with all our AYCC Family Members and Guests.

## PHOTO IDENTIFICATION

After completing the Application we take your **Photo** for our system. This identification empowers our staff to build meaningful relationships with all of our AYCC Family Members and Guests, and know who we are serving in the facility at all times.

## YOUR SCAN TAG

Upon completion, you (individual, family, group) will receive your **Scan Tag(s).** Your Scan Code can be entered onto your cell phone using the Daxko App; our Welcome Center Heroes are happy to help you with this process. Use the tag for easy access to the facility on a consistent basis. Once the AYCC Pathway to Wellness is completed you will also use your Member scan tag for access to all of the new and amazing Wellness Spaces!

## WELCOME TO THE AYCC FAMILY!
