

# College & Career Fair

The Alford Youth & Community Center Teen Programs are partnering with JMG and the Central Maine Growth Council to organize a College & Career Fair on **Thursday, December 1<sup>st</sup> from 8:00am – 4:00pm** at the Alford Youth & Community Center in Waterville.

We are hoping to have as many high school students as possible come by to meet future employers and college admissions staff. Considering the lack of in-person events like this over the past few years we are excited to create an opportunity to bring professionals together to meet and support students in learning about potential paths for their future.

We have already confirmed with over 30 organizations, including:

Maine College of the Atlantic  
Maine Maritime Academy  
KVCC  
Husson University
