

MARCH 2022 AMP UP NEWSLETTER

March Mentor Event...

On March 14th, we held our March event. We made name tags on lanyards for the kiddos and their mentors. We used fun card stock and crazy fonts made by our Cricut. The kids had a blast individualizing their badges!

Mya's favorite activity to do with Margret is to make workout activities on the track upstairs for them to complete.

And thanks to the AYCC, we were able to purchase many new games and activities for the kiddos and their mentors!
