# Childcare Food Program

## Nutritious Meals & Snack

Our Kitchen Staff provides breakfast, two snacks, lunch and dinner options daily for full day care. Our after school programs offer one snack each day. We follow the USDA School Food Nutrition Guidelines. Families may send their child with a snack if they prefer. Peanut or nut products are prohibited.

Our food program is mainly funded through state and federal grants and as such, we require each family to complete the U.S. Department of Agriculture's Child and Adult Care Food Program application at the end of the registration packet. Completing these forms allows us to provide FREE, quality, nutritious snacks and meals to all our childcare participants, but especially to children who may otherwise go without.

Our After School Programs offer a nutritious daily snack at all of our sites and a daily snack and meal at our Waterville sites.

## Greenhouse to Your House Weekend Meal Program

The AYCC Kid's Kitchen, through generous sponsors, provides backpacks full of nutritious snacks/meal items to youth in our Waterville program. These packs provide children with supplemental food and nutrients that some of them may not have access to over the weekend. Families interested in participating should complete the registration and turn it into the Coatroom.

## **AYCC Childcare Policies Continued**

### **Parent/Guardian Notice:**

The Alfond Youth & Community Center will continue to provide leadership and guidance for all participants in regard to bullying education and prevention. Your child will be required to meet all expectations in regards to behavior that is consistent with the current surrounding schools policies on bullying.

### **Alfond Youth & Community Center Bullying Policy**

It is the intent of the Alfond Youth & Community Center to provide all youth with a safe, orderly and respectful recreational environment that is a safe place to play, exercise and learn. It is not our intent to prohibit children from expressing their ideas, including ideas that may offend the sensibilities of others, or from engaging in civil debate.

Bullying, as defined in this policy, it is not acceptable and is strictly prohibited conduct at the Alfond Youth & Community Center. Any person that engages in conduct that constitutes bullying shall be subject to disciplinary consequences up to and including expulsion from the facility and loss of membership. A person's bullying behavior may also be addressed through other behavioral interventions.

For the purpose of this policy, "bullying" means any physical act or gesture, or any verbally, written or electronically communicated expression that:

1. Repeated negative/derogatory comments
2. Name calling
3. Gestures
4. Actions made with the intent to harm, distress, intimidate, threaten or coerce another individual

### **Confidentiality Policy**

All incident, accident, and observation forms are kept on file for review. These forms help staff implement behavior plans as well as lesson/activity ideas. All forms are kept strictly confidential.

### **Child Abuse & Neglect Policy**

The Alfond Youth & Community Center's childcare programs are licensed by the State of Maine's Department of Health and Human Services. We are required by law to report any suspected cases of child abuse and/or neglect. Identifying information shared in this required report are kept strictly confidential.

### **Video Surveillance System Usage Policy & Procedures**

The purpose of the AYCC video surveillance system is to help make the AYCC safer for youth, visitors, members, and employees by providing surveillance of key public space areas to reduce crimes, injuries, accidents, and incidents. The primary use of the system is to allow the after-the-fact investigation of accidents, incidents and potentially crimes, within the AYCC. Cameras are currently installed around the public spaces (rooms, hallways, building exterior) within the AYCC. Cameras are not used to specifically protect private properties within the facility and are not located around areas where the public might have an expectation of privacy (e.g., locker rooms & restrooms). For the protection of AYCC members and community members, individuals are generally not permitted to view security footage other than what is visible real time security feed featured in the AYCC welcome area. Recorded video will be made directly available to the general public only to the extent required by law.

## **AYCC Childcare Policies Continued**

### **Children's Responsibilities**

To ensure that the After School Program is a positive place for kids to go, we believe that the children have certain responsibilities. These responsibilities include respecting themselves, as well as their peers, and the staff members who work here. Children will be responsible for cleaning up after themselves and to conduct themselves in a manner that is appropriate and safe for other children around them. We ask children to be respectful of others personal space and property as well as work to maintain a safe body. They are also responsible for staying with their groups and keeping track of their personal belongings.

When these simple guidelines are encouraged and supported we believe we create a positive place for all kids to be. The staff members will support children through positive reinforcement for good behavior, and encouragement for them to perform to the best of their abilities. We ask the parents/guardians to help us carry out these responsibilities.

#### **Child Guidance & Dismissal Policy**

The AYCC wants all children to feel safe and cared about while attending the AYCC and any of its programs. We understand that children attending our programs may still be learning emotional skills and self-regulation strategies. Our goal is to help support and guide children in navigating and honing these critical skills during their time in childcare. Staff will guide and provide behavioral support as necessary, however, children may be sent home due to incidents involving physical aggression, safety or health concerns (i.e. spitting, biting) and high levels of elopement or other behavioral challenges that require consistent support and/or multiple staff person support. Consistent and repeated occurrences of extreme cases where unsafe behaviors are occurring more than 3x per month, may result in temporary or permanent dismissal from the program.

#### **Suspension & Dismissal Policy**

The AYCC reserves the right to dismiss or suspend the enrollment of any child if their behavior continues to be harmful to others or themselves or if the child's needs cannot be met within the program.

- ◆ Illness
- ◆ Lice or nits present
- ◆ Vomiting
- ◆ Diarrhea
- ◆ Fevers of 100.4 or higher
- ◆ Inability to independently use bathroom facilities
- ◆ Other health concerns preventing the child's participation in group activities
- ◆ Parents/guardians not complying with the Alfond Youth & Community Center childcare policies
- ◆ Failure to make payments or frequent late pick-ups of children
- ◆ Behaviors that cause an unsafe environment for the child, their peers or staff.

We document and file all incidents and refer to them to consider suspension or dismissal.

#### **Immunization Records**

Every child attending licensed childcare programs must have a recent copy of their immunization records on file with the childcare facility. Records must be updated each year. This is a requirement by the State of Maine, Department of Health & Human Services.
